**CHECK THIS OUT**

**Step 1:** Prep the fruit. Pit cherries and cut them in half. Rinse blueberries. Slice apricots in half and remove the pit and cut in 4 slices per half. Peel peaches and slice in 1/2 inch slices.

**Step 2:** Make the dressing. Toss the balsamic vinegar, olive oil, vanilla, pepper, and a pinch of salt.

**Step 3:** Combine. Arrange 1/2 of the fruit in a bowl, gently layering the fruit. Peaches and ripe apricots break down easily; layering, rather than toss, helps keep the fruit looking fresh. Drizzle about 1/3 of the dressing over the fruit. Distribute 1/2 of the basil.

Continue to layer and drizzle dressing.

Garnish with a few small bay leaves.
